

Hunters Best Friend at School

Hunter and Stripe are best friends. This young raccoon pair loves to do everything together, like dress in striped sweaters, read the same stories, and even eat the same lunch -- a crawfish sandwich, huckleberries, and milk. But when Stripe arrives one day at school in a mischief-making mood and starts stirring up trouble in Mr. Ringtails class, should Hunter follow along? Laura Malone Elliott and Lynn Munsinger introduce two delightful pals who will entertain young children as they also provide an important look at peer pressure and first friendships.
