

## Harrys Pony (An I Can Read Book) (I Can Read Book 2)

When Harry wins a pony in a contest, he is very excited. But Harrys father doesnt share his excitement. He says that a pony cant live at their house. Harrys friends want the pony to stay with them, but all of their parents say no, too. Even Aunt Rose and Uncle Leo dont have room for the pony. Just when Harry is about to give up, a friend tells him about a place that will gladly take the pony -- and in return give Harry a greater gift than he could ever imagine.
