

I Remember Union: The Story of Mary Magdalena

This is inspiring and transformational book Mary Magdalene tells her story in a voice that resonates with grace and strength. We see her first in the Swing Between Worlds, a realm of light where souls create the design for their lives. She accepts the challenges she will face as a visionary, healer, teacher and counterpart of Jesus Christ. She honors their destiny to forge the divine union of male and female and to help the people remember their own light and divinity. With courage and compassion, Mary lives from her heart, allowing no one else to shape her thinking or influence the decisions of her soul. She challenges the human laws which separate us from God, each other, and the Earth. She is judged and ostracized, but she continually chooses to live the unity she remembers. As she looks into the future, she sees that in 2000 years the people will also remember and choose to live in peace. From the Swing Between Worlds, a realm of light where souls create the design for their lives, we see Mary Magdalene accept the challenges she will face as a visionary, healer, teacher and counterpart of Jesus Christ. As she looks into the future, she sees that in 2000 years the people will also remember their own light, their own divinity and choose to live in peace. Now is the time she has seen! Now is the time for Peace. From the Preface: Mary was not a harlot, powerless, following Christ. She was a woman of extraordinary vision and power, facing her fears with immense courage and determination. Setting aside personal feelings and desires, she dedicated her life to upholding God and the greater design she had pledged to serve, regardless of the obstacles she encountered. She is a noble, beautiful, nurturing woman who will take you in her arms and call from you the memory and truth of who you are. Read her story and Remember the Design for Peace in Your Heart!
