

Intuitive Parenting: Listening to the Wisdom of Your Heart

What if you could slow down, tap in, and pay attention to the clues and cues your children are giving you? Intuitive Parenting is an easy-to-use guide for parents and caregivers interested in improving communication with the children in their lives. Your children's hearts are speaking do you know how to listen? Dr. Debra Snyder, an intuitive therapist and holistic practitioner shares her groundbreaking guide to energy communication and healing, showing readers how to enhance their communication with children via subtle energy systems. Unlike other books on spiritual parenting that focus solely on changing the child, Intuitive Parenting works just as much on the parents growth and entire family dynamic. With exercises, journaling prompts, and interwoven client stories, the book will resonate with parents, caretakers, teachers, therapists, and holistic health practitioners how to foster communication at the heart level.
