

Cities By the Sea (Read, Sing and Build with Me)

Where can you see the shadow of a snake slithering up the stairs? What island nation is also a continent? How can a poem inspire you to build with blocks? Find out in *Cities By the Sea Around the World!* Be inspired by the classic poem, *Block City*, by Robert Louis Stevenson, featuring richly colorful illustrations by Anne Baasch. Travel to far-away places all around the world through stunning photographs selected to intrigue and inform. Discover new information with fun facts about each city. This volume of hands-on fun inspired by classic literature includes: *Block City*, *Cities by the Sea*, fold songs, a world map, art and building projects, math activities. Enjoy the follow-up activities created by Dawn Heston, author, parent and educator with the whole family. *Cities by the Sea Around the World* is the first book in the series *Building Connections*. Also available: *Block sets* from partners in education, *Timberworks Toys*, for hands-on fun.
