

Jeremy Of Kadesh

The two New Testament stories which serve as the framework for this First Century biblical novel are well-known and treasured by all Christians. The first story (John: 6), describes a young man whose name might be Jeremy who gives all that he has, a few loaves and fishes, to Jesus, his new found hero. With these Jesus feeds the huge multitude waiting to hear him teach and to see him heal the sick. The incident changes Jeremys life and gives him hope that Jesus might also help his mother who still mourns the tragic loss of her husband, Ruben. The second story (Luke 23: 39-43) reminds us that Jesus was not alone on Golgotha. Two thieves were crucified with him on that fateful day. One of the thieves confessed his misdeeds, and received from Jesus the promise of eternal life - a touching scene that has, over the years, inspired millions of lives. The author suggests that the lad who offered Jesus the fishes and loaves and the penitent thief are one and the same. How the one grew up to become the other is the fascinating tale unfolded in this book. Go with Jeremy and his mother, Anna, whose fate plays a major role in his journey of faith. Meet Samuel and Sarah, his special friends; and Simeon, who becomes a devoted companion, but is very skeptical of Jeremys blind devotion to Jesus. Together, they unfold a compelling story of courage and commitment. More remarkable still, is the possibility that it all could have happened just as David Moore describes. David Moore is a retired minister of the Christian Church (Disciples of Christ). He has studied History and Theology in several major universities, including Manchester College, Oxford, England. Originally from West Virginia, Mr. Moore lives in a small town in Tennessee where he and his wife run an on-the-square bookstore and coffee shop. David has E-Book on Kindle and Nook called The Story of Altogether, An Allegory of Good and Evil. Contact David
