

Ashleigh #4 Goodbye, Midnight Wanderer

Was it really Ashleigh's fault? Tragedy has struck Edgardale. Ashleigh Griffen's favorite yearling has been injured in a terrible accident, and Ashleigh feels responsible. The vet says the colt should be put down. Ashleigh begs for time, and devotes herself to caring for the yearling. But nothing Ashleigh does seems to help. The yearling must be destroyed. Blaming herself for the colt's sad fate, Ashleigh vows never to become attached to a horse again -- it can only end in tearful good-byes. Can any horse mend Ashleigh's broken heart?
