

## Los Angeles Clippers (On the Hardwood: NBA Team Books (Paperback))

Get ready for a lob toward the rim and join the Los Angeles Clippers On the Hardwood, in this officially licensed NBA team book. The Los Angeles Clippers have been in the back seat in L.A., as their Staples Center co-tenant, the Lakers, have commanded all of the attention in the City of Angels. But that quiet back seat ride is almost over. Chris Paul has been added to a thriving, young nucleus to form one of the most exciting teams in the NBA. On the Hardwood: Los Angeles Clippers will pinpoint the moment things changed for the Clippers and highlight their growing stature in NBA circles. The reader will understand the heights of the Clippers climb from a vagabond franchise, to a team with a true home and fan base in Los Angeles.
