

# Juvie

Sadie Windas has always been the responsible one?shes the star player on her AAU basketball team, gets good grades, dates a cute soccer player, and helps out at home. Not like her older sister, Carla, who hangs out with druggies and leaves her three-year-old daughter, Lulu, with Aunt Sadie while she parties and gets high. But when Sadie and Carla are caught up in a drug deal?wrong place, wrong time?it falls to Sadie to clean up the mess, confessing to a crime she didnt commit to keep Carla out of jail and Lulu out of foster care. Shes supposed to get off with a slap on the wrist. Instead, shes sentenced to six months in juvie. As life as Sadie knew it disappears beyond the bars of her cell, her anger?at her ex-boyfriend, at Carla, and at herself?fills the empty space left behind. Can Sadie forgive Carla for getting her mixed up in this mess? Can Carla straighten herself out and create a better life for Lulu?and for all of them?Heart-wrenching and real, Juvie is the story of two sisters grappling with sacrifice, accountability?and wholl be there to help you up after you take the fall.
