

Teamwork (Soccer)

A fully revised and updated version of this successful title, which looks teamwork in football. The author, Jim Kelman is a former football player and certified FA coach. He explains that a team needs to pull together and support each other in order to form a winning team. The reader also learns how coaches, managers and parents can help guide you in training. With colour photographs, helpful diagrams, labels, tips and coachs notes, this book is an essential guide for young football enthusiasts.
