

Victims of Emotional Abuse: A Love Story (Emotional Abuse: Understanding, Coping & Recovering Book 1)

This book is part of a series. It is a true story. It was the most wonderful love story ever. Through the series the author tells the story, shares the impacts and reveals lessons learned. The content is powerful. Potentially life-changing. Book 1 is the foundation. This book is shorter and formatted differently than the others, with minimal words per page and no chapters or pictures. Book 2 is coming soon as a continuation of the story and a beginning of lessons learned. Still more will be shared by the author in two additional books in the series. The book is being called Moving, Enlightening, Provocative, leaving readers wanting to know more. The author is a life coach committed to supporting others, each on their own life journey. She believes that valuable lessons come from all life experiences, both good and bad. The true story is her own.
