

# Pet Vet: Marketing Yourself By writing a Book With or Without Writing

Many veterinarians have told me they know they need to write a book. \*They know it establishes them as the expert they are. \*They know people keep books, especially useful ones, but may throw away business cards. \*They know it will multiply their area of influence. \*They know that even giving away their own book will increase their bottom lines. Maybe they lack the confidence because they don't know the how-to. This large print book with many memorable illustrations takes away all excuses. Action is the basis of all attainment. Now is the time for action - before your competitor does.
