

Little Britches and the Rattlers

Little Britches saddles her pony and heads out for the rodeo. She hopes to win first prize in the calf-roping contest. Along the way, she meets seven cunning rattlesnakes. One by one, they threaten to eat her up! But Little Britches is smart. She knows how to bargain with those rattlesnakes and come out on top! Endearing graphite, watercolor, and digital illustrations by Vincent Nguyen bring this southwestern romp to an outlandish finish.
