

Livewire Maths: Measures to Level 3

Livewire Maths is a series of textbooks entirely focussed upon boosting the basic numeracy skills of those currently underachieving or with special needs. Designed to be used alongside existing course material, each title focuses on an individual aspect of mathematics, and has a matching teachers resource that is simple to use and understand. An intensive catch-up course, the series is aimed at pupils who have achieved Level 2 of the National Curriculum and are working towards Level 3. This text has been pitched at the target level, using buzzwords boxes to introduce and revise measures, and includes challenge boxes providing open-ended investigations. Livewire Maths is a series of textbooks entirely focussed upon boosting the basic numeracy skills of those currently underachieving or with special needs. Designed to be used alongside existing course material, each title focuses on an individual aspect of mathematics, and has a matching teachers resource that is simple to use and understand. An intensive catch-up course, the series is aimed at pupils who have achieved Level 2 of the National Curriculum and are working towards Level 3. This text has been pitched at the target level, using buzzwords boxes to introduce and revise the number structure, and includes challenge boxes providing open-ended investigations.
