

Lucky Ducky

Ducky is unlucky somehow things just always seem to go wrong. So he decides to look for a four-leaf clover; that will do the trick! But when he goes to the park, there is none to be found. However, what Ducky finds instead is much greater: he meets Piggy, Bunny, and Pup and realizes that having friends makes him the luckiest duck of all! Lucky Ducky is a bright and bubbly new picture book that shows young readers how luck is all about how you perceive it and that anyone has the power to turn his or her luck around.
