

Managing The PMO Lifecycle: A Step by Step Guide to PMO Set-up, Build-out and Sustainability

Managing the PMO Lifecycle (PMOLC) is a collective effort to highlight what goes into the set-up, the build-out and the sustainability of the Project Management Offices (PMOs). It provides the drivers, the benefits and the know-how. The book's main purpose is to be a reference guide for practitioners investing in setting up, building-out or supporting PMOs through providing a practical step by step guide and practical case studies.
