

Tales to Tell II (No.2)

Following on from the authors first successful compilation of Tales to Tell, this new collection is framed to recapture the delightful art of telling stories to children and invisibly carrying their messages of faith and love in the adventures of living. They stem from the popularity of the stories originally broadcast on BBC Radio Scotlands A Scottish Religious Service. David Campbell is an internationally acclaimed storyteller and travels widely taking Scottish traditional stories, and stories of faith and love, throughout the world.
