

CSS Picture Collection: The Merchant of Venice CD-ROM (Cambridge School Shakespeare)

An innovative addition to the best-selling Cambridge School Shakespeare series, The Merchant of Venice Picture Collection CD-ROM enables teachers and students to explore performance and interpretation of the play. Features include: audio recordings of key moments from the play; tools to annotate the images; the ability to import new images and create storyboards; and a wealth of printable teachers support material, including editable worksheets which are fully differentiated for use with students aged from 11-19. This CD-ROM is fully networkable and is for use both on an interactive whiteboard and on individual computers.
