

## Tell the Time with Merlin (Merlin the Magical Puppy)

Merlin, the mischievous black Labrador puppy is thrust into an enchanted world where all his make-believe and playful dreams become a reality thanks to his magical red collar. He's joined in his wild adventures by his glamorous canine friend Kizzie and other inhabitants of Sandybay Harbour, including the lazy hedgehog Reg The Hedge; Gull, the surly seagull; and Oscar, the smart ginger cat who takes every opportunity to land Merlin in heaps of trouble. Tell the Time with Merlin follows the residents of Sandybay through their day, hour by hour, and the clock with moveable hands can be set to the right time to match each scene.
