

## Student CD for Miladys Standard Professional Barbering

The Student CD-ROM is an invaluable resource to supplement a student's current barbering curriculum. Helpful video clips and interactive slides, demonstrating proper practice and procedures help the student review proper techniques, and behaviors that they have learned in the classroom. The CD-ROM also contains a randomized testbank unique to the tool to help the student review for their licensure examination. A games section is included to create an entertaining form of education with word and image scrambles, labeling, hang man, and other games. To reinforce terminology and pronunciation, an audio glossary is also included with nearly 1000 terms from the textbook. This resource has been updated to reflect changes to Milady's Standard Professional Barbering, 5th edition.
