

Building the Big Machine: An MLM Empire of your Own (Multi Level Magic Book 3)

Why you need to assimilate the big picture stuff right now. Start with the end in mind is probably the most powerful thing you'll ever hear when it comes to creating mega-success in the network marketing arena. If you can grasp what the big boys do very early on, that will be half the battle won because you'll know where you're heading as you Build the Big Machine. It's a little like trying to build a racing car or for that matter a racing motorcycle; if you don't have a blue-print in front of you, the big box of bits and pieces will never assemble themselves into a winning kit. This book is Ron performing his magic at his very best. Discover you must never fear your future success. Discover what you really, really want. Losers unwittingly visualize the penalties of failure and they do this all the time, as a consequence they never even get on the first rung of the ladder. On the other hand, winners intentionally visualize the rewards of success, and they too do this all the time and as a result they leap up the ladder of success, at least two rungs at a time. Building the Big Machine has many surprises in store for both the novice and seasoned networker alike, as you will be shown how to make your jumbo jet not just scream down the runway - but for once and for all, make it actually take off. If you program in, Building a BIG Machine into your conscious mind, your subconscious mind will feverishly work out a way for you to accomplish the goal. For over thirty years Ron has been at the cutting edge of personal development and he is ideally placed to help you harness the mind power and develop the focused attention that will be needed for you to hit the big money jackpots within MLM. This is the scintillating stuff that Wizards are made of. Ron uses a two pronged approach of both mind power and MLM business acumen to assist you to the top of your own massive network in the shortest space of time,

making money and having loads of fun along the way. This book is full of power tools that will help you break through every barrier that has held you back in the past. By the time you have finished it, you will be free of failure; procrastination, invisible entrapment, limitations and lack of resources. Every trick in the book and every secret formula that you need to know in order to enter the MLMers magic circle is revealed. In books One and Two you are the Sorcerers Apprentice. In Book Three you become the Wizard and Ron pulls no punches in showing in detail all the magic that the Sorcerer will need to be doing in order to reach the top by building and controlling a robust and profitable network. You may be surprised to know the kinds of things that you'll be doing as a leader and knowing these things in advance of them happening to you will actually speed along the process in the real world. Let the Wizard of Kerching himself ingratiate you into MLMers Magic Circle, so that you can walk the beaches of the world and live a life of abundance that you richly deserve. Will Ron see you at the top?!
