

Tell Me My Story, Mama

Tell me the story about when I was inside you, Mama. A lot of exciting things happened while this little girl was waiting to be born. Mamas belly was so big Daddy had to lean over to give hugs. Pictures were taken with a special camera, names were being chosen -- everyone was happy preparing for the birth. And when it finally did happen, it was what everyone had been waiting for. The union of Deb Lunds sweet text and Hiroe Nakatas gentle illustrations will delight, in this celebration of every childs unique birth story.
