

## Moose Crossing

Moose is amazed when he sees a sign by the side of the road that says Moose Crossing. He must be very important to have his own sign, although his best friend, Hildy, doesn't agree. When tourists arrive, hoping to catch sight of him, Moose finds he can't go anywhere without being recognized. Suddenly his life isn't as simple as it used to be. Maybe being famous isn't all that great. How can he find a way to get rid of all those fans and get things back to the way they used to be?
