

Mrs. Eddy: Her life, Her Work and Her Place in History

This accurate and objective biography is now offered to the public in a beautiful deluxe edition. Hugh A. Studdert Kennedy was a staff member of the Christian Science Monitor until 1920, and formerly served as a minister of the Church of England before coming to the United States. The author approaches his subject with reverence for a woman whose discovery, leadership and accomplishments have established her place in history. The book is rich in historical background with a fresh, colorful portrayal of the times and the early growth of the Christian Science movement.
