

Multimodal Biomedical Imaging IV (Proceedings of Spie)

Multimodal Biomedical Imaging IV Proceedings of Spie: SPIE conference papers are published in the Proceedings of SPIE and available via the SPIE Digital Diseases in the Breast and Reproductive System IV (Conference BO106) Multimodal Biomedical Imaging XIII (Conference BO304). **Biomedical Optics & Medical Imaging Topic - SPIE eBooks** Proc. SPIE 9268, Optics in Health Care and Biomedical Optics VI, 926801 (December 19, 2014) doi: 10.1117/12.2181991 of a novel aryl benzyl ester dendritic axially substituted silicon (IV) phthalocyanine . Multimodal Biomedical Imaging. **Conference Detail for Multimodal Biomedical Imaging XIII - SPIE** Proc. SPIE 7171, Multimodal Biomedical Imaging IV, 717108 (February 20, 2009) doi:10.1117/12.816626. Text Size: A A A. From Conference Volume 7171. **Optics in Health Care and Biomedical Optics VII - Proceedings of SPIE** Submit an abstract for SPIE BiOS conference on Multimodal Biomedical Imaging XIII. **Conference Proceedings - Biophotonics & Optical Radiology** SPIE International Symposium on Biomedical Optics Proc. in Multimodal Biomedical Imaging IV, F.S. Azar, X. Intes, eds., SPIE International Symposium on **Structural a priori information in near-infrared optical tomography** Proc. SPIE 10024, Optics in Health Care and Biomedical Optics VII, 1002401 (December 15, All-optically integrated multimodality imaging system: combined .. silicon (IV) phthalocyanines and their morphology of polymeric nanoparticles. **An extensible imaging platform for optical imaging applications** Proceedings Volume 7171 (Multimodal Biomedical Imaging IV) >. February 12, 2009. A coupled radiative transfer and diffusion approximation model for the **Multimodal Biomedical Imaging XI (2016) Publications Spie** Proceedings of SPIE. [+ -] Author Affiliations.
