Bobbi world turned upside down when her mother decided to move her to a better school; little did she know that moving her daughter has open up problems that Bobbi had never faced before bullying! Bobbi timed how she would walk up and down the hallways; even walking home was a planned event everyday she did not want to come in contact with Jessie and her friends. Bobbi new friends Spam and Errika invited Bobbi to a different place a place where people loved and everybody was somebody. On this trip Bobbi brought back to her school the skill of defeating bullying at Slim Pickens High School.
