

North Carolina in the Connected Age: Challenges and Opportunities in a Globalizing Economy (Hardback) - Common

At a time when North Carolina's population is exploding and its economy is shifting profoundly, one of the state's leading economists applies the tools of his trade to chronicle these changes and to inform North Carolinians in easy-to-understand terms what to expect in the future. Today we are living in a technologically connected age that has completely transformed the North Carolina economy, Wal...
