

Scout and Ellie: The Ski Resort

Scout is the boy with the elephant living in his backyard. In this third book, he is going with his family and Ellie to perform in their circus at a ski resort. Normally, Scout is a regular, silly clown. But this time, Ellie has them doing a crazy, dangerous Act together. The Scout and Ellie series is designed for children seven to nine years old who love to laugh. It is full of wild escapades led by an elephant who drives, lives in her own cottage, has temper tantrums, and gets Scout to do some downright fun things. She is lovable, charismatic, and playful. Everyone needs an Ellie in their life.
