

How to Be Kinkier: More Adventures in Adult Playtime

Following the incredibly popular first book in the series, *How to Be Kinkier* dives deeper into the world of BDSM in the same accessible and fun style. With over 200 gorgeous full-color photos and 20 sexy step-by-step photo essays, this book educates and excites at the same time. Having introduced readers to the fun and fabulous basics of adult play with his first book, Morpheus now takes his audience on a trip into the naughtier side of their personalities. With an introduction by porn star, feminist and sex educator Nina Hartley, a huge fan of the first book, *How to Be Kinkier* gives instruction and inspiration on how to discover your favorite fetish and find out just how kinky you really are.
