

No Milk

A city boy tries to coax, cajole, coerce, and command the milk out of a dairy cow -- but no milk! As tempers flare, the pair finally arrives at a creamy compromise. Perfect for a read-aloud.... The jolly refrain will be anticipated by children, who will have fun joining in.... Illustrations...are bold and vibrant, yet expressive and rich in subtle detail. An enjoyable story that will be asked for again and again. --School Library Journal.
