

Little Bunny (Noisy Farm Babies)

Little Bunny hops around the farm, looking for a friend to play with. All of the charming Noisy Farm Babies board books will delight toddlers with their softly hued color illustrations, their gentle stories about farm animals, and their plastic pushbuttons that make amusing sounds when pressed. The button for Little Chick emits a gentle cheep cheep, the Little Lamb says baa baa, the Little Duckling lets out four funny quacks, and the Little Bunny goes sproing, to suggest that he is hopping around. The little stories will please preschool boys and girls.
