

## A Pig Called Pete Meets... a Sheep Called Sean

Sean the Singing Sheep introduces Pete to a whole new world-outer space. Sean is a baritone with a penchant for building things with boxes. The two adventures build a spaceship and travel past the planets, learning a bit about each. While on Pluto, they play games together, but it doesn't end well. Pete learns that sometimes friends say hurtful things that they don't mean, and they should be forgiven.
