

OCR Gateway GCSE Physics Resources and Planning Oxbox CD-ROM

Our resources for the 2011 OCR Gateway GCSE Science specifications have been specifically developed to fit the needs of real students and teachers. OCR Gateway GCSE Science is designed to engage every student and stimulate their interest in science. This course is the simplest and clearest approach of all resources available, with all the help and support you need to teach the new specifications with ease and make the transition as smooth as possible. It also provides comprehensive exam preparation and assessment to help your students understand what is expected of them and improve their grades. The GCSE Physics Resources and Planning OxBox CD-ROM is a flexible and time-saving resource with everything you need to create lively and engaging lessons. Its packed full with a variety of resources (including videos, interactive activities, PowerPoint presentations, and artwork) and lesson planning tools to save you planning time and help your lessons run smoothly. Its also very flexible, allowing you to edit most resources and plans, and even add in your own.
