

ENOCH AND APOCALYPSE

There isn't a lot to say. Apocalypse. Armageddon. Nuclear explosions. The world ravaged. Entire populations destroyed. The end of civilization. If you watch movies or TV you've seen it before. As I write this in February 2015, it lies ahead of us. Rosalyn and I have seen it tortured glimpses, fragments. Horrible visions. One thinks of the words of the prophet Zechariah (14:12), which might have been another glimpse: And this shall be the plague wherewith the Lord will smite all the people that have fought against Jerusalem; Their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth. Can it be avoided? I pray that it can.
