

OMG, My Child Is Gay!: What You Should Do When You Learn Your Child's True Sexual Orientation

Dr. Williams writes her personal story regarding the shocking news of her son's revelation that he is gay. Her candid heart-felt dialog allows the reader to feel the initial pain and hurt she experienced. She provides biblical and scientific research concerning homosexuality and also offers parents powerful guidelines to help them create a healthy relationship with their child should they suspect or find out they are a lesbian, gay, bisexual, or transgender (LGBT).
