

## Pampered Pets On A Budget.....Caring For Your Pet Without Losing Your Tail

Pets are one of the greatest joys we encounter during our lifetime. But pet ownership can also be a challenging and costly experience if we were not prepared. Jeff Barnes and Kristen Levine give pet parents valuable insight that will help you understand your pets must-haves versus nice to haves. In *Pampered Pets on a Budget*, you will: \*Learn the benefits of the human-animal bond to your life and your pocketbook \*Understand the ideal role of your veterinarian \*Receive tips on how to save money during the lifespan of your pet \*Obtain great information on pet adoption \*Know the ins and outs of proper pet nutrition \*Properly position yourself to give your pet the best lifestyle possible Once you open the book and begin reading, you will always look at pet ownership as fun, exciting, and most of all AFFORDABLE.
