

## Ponderings on Lily Pads: Tales of Belonging (Tiny Epic Adventures)

Ponderings on Lily Pads is an inspiring story about three frogs who are a misfit bunch. One can't hop, one can't swim and one has a voice that is too loud, making them all feel as if they don't belong. One day, they venture upon an Old Wise Toad who shares with them stories of frogs who were just like them and how they left their own amazing impact on the animal world. Follow Claudia, Victor and Dale as they learn that what makes them seem odd at first is really what makes them shine like diamonds in the rough. Ponderings on Lily Pads is a powerful tale about embracing your differences because that's what makes you you!
