

## Power Public Relations 2e Hard

Public relations is in the White House and the boardroom. Its creating tomorrows starts on Hollywood sets and its shaping the careers of tomorrows leaders. Its moving new ideas out of the workshops of entrepreneurs and onto the Internet. Public relations is everywhere. Leonard Saffir has spent a lifetime affecting the ways we view our corporations, our politicians, our heroes, and the host of products and services we buy and use every day. In Power Public Relations, he reveals the dynamic, powerful discipline thats successfully being used to influence thinking and shape public reaction. Complete with hands-on advice on working with the media, capturing public interest, and building and evaluating a successful public relations program, Power Public Relations promises to reveal new opportunities for anyone who understands the new PR and puts it to work. Praise for the Previous Edition of Power Public Relations No professional should be without this book. It carries how-to advice and a view of the future that must be read by all. -- Robert L. Dilenschneider Principal, The Dilenschneider Group In candidly sharing his experiences, Len Saffir easily rates an E for excellence. This book is enlightening, educational, and enjoyable! -- Richard Weiner Public Relations Consultant
