

Zoo Animal Crafts (Creating Creature Crafts)

A tissue box can be used to make an elephant. A paper plate can be turned into a sea lion. A monkey can be made with foam sheets. These and other fun zoo animal crafts are waiting for readers with each turn of the page. By following detailed, step-by-step instructions, readers are able to create an array of zoo animals from common household items. Readers are aided by colorful photographs of each step in the process, as well as of the finished product. Fun facts about each zoo animal are also included, allowing readers to learn as they create.
