

Pressing Forward: Seeing the Future of Journalism (Index on Censorship)

This issue of Index on Censorship magazine will include a special report on the future of journalism and the challenges for free speech. This global analysis includes articles from young and older journalists about the way the media might and should evolve to bring the public the information they should know; all inside are articles by author Wendy Law-Yone; an interview with the Belarus Free Theatre; and an article on free expression by Australia's race commissioner Tim Southommasane.
