

## PRINCE2® for Value driven Project Management: AXELOS - Full Licence AXTMC033

This book is a succinct reference to PRINCE2 Principles, themes and processes. It has explained PRINCE2 integrated elements in detail and through examples, which makes it easier for students and trainers to understand the concept. The book is useful for the researchers and professionals who want to learn the concept and apply in the real time project environment as well as for those aspiring for PRINCE2 Foundation and Practitioner certifications. The book has not only touched the key areas but also contains the following Two full length sample papers for foundation exams along with the answer keys. It also contains tips and tricks to pass the practitioner exam along with the sample questions. The two sample case studies provided at the end of the book help in strengthening the concepts and in understanding how to apply PRINCE2 in the real time scenario. This book has received full licence from AXELOS.
