

## The Princess and the Beggar I (Chinchinian, Harry. Heather and Holly Brown Series.)

This is a story about a beautiful princess who is kind, sweet, and in love. She lives in the greatest stone castle on top of the highest hill. Along comes the musical, magical beggar, looking for his cat, but finds the princess and falls in love. The beggar's cat Jasper is very naughty, but is learning to behave himself. The smart cat Olivia helps the princess make wise decisions for the kingdom. The bad-tempered uncle, Lord Raisinkatz, threatens to ZIGGLE AND TWIGGLE anyone who makes him angry. The dutiful Sergeant Muster-Buster follows orders without thinking and Tickory Tettle the Tax Collector travels on his horse all the time and rolls off his horse just as many times. The huntsman Na-Nicky calmly helps with all the conflict and confusion found in the entire realm. With over 70 full-color illustrations and humor, Harry Chinchinian creates a book for readers of all ages who are young at heart.
