

Pro Tools 8 Kit: The complete professional workflow for music production

Ever wondered how to record using a click track or mix to a master deck in Pro Tools? How about wishing you had step-by-step guidelines, to get it done right and get it done quickly? In one convenient, easy-to-follow package, Pro Tools master Rob Shimonski brings you the Pro Tools 8 Kit, a book and website combination that will take you through every step of the production process and all the tips, tutorials and tricks that pros use to create perfect recordings. The book has full color screen shots illustrating the tools, functions and the new look of Pro Tools 8, and the website walks you through creating a recording, from setup through bouncing down your final track. The Pro Tools 8 Kit covers more than just the software - it will help you make the most out of every recording session.
