

Purrfect Princess (Catkid)

A fun, early chapter book about a girl who is half-kid, half-cat. She has cat curiosity and a nose for sniffing out anything fishy. An energetic, character-driven romp to rival Junie B. CatKid is at it again! Spunk and personality make CatKid a natural performer, and shes the star in the class production of Snow White. Pretending to be in a deep sleep should be the hard part, but thats nothing compared to having to act like Billy the Bully is Prince Charming. Billy a prince? Thats not type-casting at all! The worst part is the dreaded kiss. CatKid is determined to find a way out of it, but will she have to forfeit the spotlight? Or will our stars debut have a happily ever after?
