

Rascal the Baby Squirrel

Based on true events, Rascal the Baby Squirrel is a story about an abandoned new born baby squirrel that is found by a man. His compassion for the tiny animal is so great that he takes it home to his family where they adopt it as their family pet. In time, Rascal reaches adulthood and no longer wants to be contained. It becomes clear that the little squirrel wants to be free, and the decision is made to release it back into the wild. This warm childrens story reveals a familys compassion, their extraordinary commitment to save this animal, and the courage to set their beloved pet free. See why Rascal the Baby Squirrel should find a home in your childs library!
