

A Fairys Story

It all began when 5 year old Claire asked her grandmother, Iris, to write a story about a fairy princess who does not know she is a fairy princess. Lili is a little fairy who has been chosen to be raised as a human so that she can help humans remember the fairies. She must not know that she is a fairy until the time is right. Dragons and crystals and other magical creatures come forward to play a part in helping Lili fulfill her mission of creating a bridge between humans and the fairy world.
