

Cows Going Past (Dial Books for Young Readers)

Come along for a ride and see the most entertaining, surprising cows you could ever imagine. Cows fishing, cows playing mini golf, cows mowing the lawn. . . There are plenty of amusements in this book full of whimsy and cheer. It will remind you of Sandra Boynton and Go, Dog, Go, but with wordplay and visual humor all its own. This is a sprightly, friendly charmer that will please any toddler.
