

Real Time II (International Library of Philosophy)

Real Time II extends and evolves DH Mellors classic exploration of the philosophy of time,Real Time. This new book answers such basic metaphysical questions about time as: how do past, present and future differ, how are time and space related, what is change, is time travel possible? His Real Time dominated the philosophy of time for fifteen years. Real Time II will do the same for the next twenty. GET /english/edu/Studying_at_SU/History_of_L iterature.html HTTP/1.0
