

Resolution: A Short Essay on Time

Winner of The Viva Brighton Flash Fact Competition February 2015
Fabulous, intricate, witty. C. Vesztergom
Jon Edgell has managed to capture the essence of the essay as a tentative yet profound literary genre with wit, originality, and flair. DS This thought provoking piece wont take you long to read, but you will still be thinking about it even after youre finished. Danielle Tara Evans From nothing to nothing is no time at all. John Steinbeck Have you ever tried to listen to Steve Reichs Six Planos all the way through? How did you feel? Two men discuss their new years resolutions shortly after midnight on 31st December 2014. The discussion is inspired by a piece of minimalist piano music by Steve Reich and turns to the meaning and nature of time drawing on John Steinbecks famous quote. The story is fictional but is augmented by a notes section expanding on several of the references in the book.
