

Sammy Keyes and the Dead Giveaway

The most winning junior detective ever in teen lit. (Take that, Nancy Drew!) Midwest Childrens Book Review The bad news: Sammys made a deadly mistake. The good news: No one knows she did it. The delicious dilemma: Everyone thinks her archenemy Heather is to blame. Now Heather is in a major jam, and in some ways its only fair Heather has pinned more than a few crimes on Sammy. Besides, there are distractions galore to keep Sammy from confessing. Like the end of the school year. And the Farewell Dance. Especially the dance, since shes going with Heathers (dreamy) brother Casey. But Sammy knows the truth has an uncanny way of resurfacing, and when it does, the stench can be more vile than the junior high cafeteria. The Sammy Keyes mysteries are fast-paced, funny, thoroughly modern, and true whodunits. Each mystery is exciting and dramatic, but its the drama in Sammys personal life that keeps readers coming back to see what happens next with her love interest Casey, her soap-star mother, and her mysterious father.
